

TRAVEL TO THE LOWRY WITH METROLINK

The Lowry – Get there by Metrolink!

The Lowry contains not one but 2 theatres, playing host to everything from West End plays, family shows, concerts and stand up comedy. The Galleries play host to works by not only L.S.Lowry (after whom the centre was named) but new art and sculpture exhibitions as well. Why not take in some shopping at the Lowry designer outlet while visiting Manchester.

How do I get there?

Board the Eccles service from Manchester Piccadilly to Harbour City – the journey will take you through Salford Quays, the regenerated Docklands area. Travelling from Bury or Altrincham board any service and alight at Cornbrook interchange taking the Eccles service. The Lowry is a 5 minute walk across the quay from Harbour City stop.
