## When a 'Metrolink' permit is required

A Metrolink permit will be required if you answer yes to any of the following questions:		Y/N
<input type="checkbox"/>	Could any part of the work zone, plant, tools suspended load or persons encroach within the Metrolink Hazard Zone?	
<input type="checkbox"/>	Will pedestrians be diverted to within the Metrolink Hazard Zone?	
<input type="checkbox"/>	Does the work include any of the following within 4 metres of the Metrolink Hazard Zone? Piling, using a crane, excavation over 2 metres deep or erecting / dismantling scaffold	
<input type="checkbox"/>	Does the work involve any excavation within 3 metres of any pole supporting overhead wires?	
<input type="checkbox"/>	Does any part of the access route to the work site (for persons or plant) encroach within the Metrolink Hazard Zone?	
<input type="checkbox"/>	Could any part of the works affect the Metrolink infrastructure or operation of the Metrolink scheme?	

## When a 'Metrolink' isolation is required

A Metrolink isolation may be required if you answer yes to any of the following questions:		Y/N
<input type="checkbox"/>	Is there a risk that any part of the operation will encroach within 3 metres of the OHLE wire?	
<input type="checkbox"/>	Is there a risk that rail continuity or any bonding cables will be broken?	
<input type="checkbox"/>	Is plant to be used beneath the OHLE wires?
